

MENTOR FEEDBACK CHECKLIST

Did I ask my mentor?

- For relevant journal articles?
- For pertinent company documents I could be reading?
- For names of professional associations in my field?
- For computer software necessary to my research?
- What he or she reads to stay current or competitive?
- To explain current controversies or hot topics in this field?
- To listen to me summarize what I have been reading?
- To provide more print sources for research?
- About a professional library in this field?
- If he or she has any personal items to loan me, perhaps textbooks from college?
- To introduce me to colleagues who would be valuable to interview?
- To review my collected bibliography thus far?
- To discuss problems I am encountering in my research?
- About non-print materials, such as graphs, charts, DVD, radio programs?
- To help me generate research questions based on my research?
- To review assignments which are due this quarter?
